Firm Profile:

LERA Consulting Structural Engineers (LERA) is a W/MBE structural engineering firm providing services to architects, owners, contractors and developers. Since our founding in 1923, we have designed numerous landmark projects across the world and have established a strong reputation for design and technical excellence. Today, LERA's talented professionals continue the tradition of creating innovative yet constructible and economical structural designs.

LERA is a federally qualified Woman-Owned Business Enterprise (WBE). We are W/MBE-certified by numerous cities, states and agencies, and we are MBE-certified by the National Minority Supplier Development Council (NMSDC).

Headquartered in New York City, LERA also operates offices in Mumbai, Shanghai, Hong Kong and Seoul.
